Paper Weaving

Materials Needed :

- ⇒ Colored Paper
- ⇒ Magazines
- ⇒ Newspaper
- ⇒ Xacto knife/ scissors
- ⇒ Ruler
- ⇒ Paint brush

Step by Step Directions Here:

1. Cut slots vertically on a piece of paper stopping 1 inch on all sides of the paper.
2. Cut strips of all kinds of paper the length of the paper you cut slots in.
3. Begin to weave the strips of paper into the slot going over and under, over and under each slot.
4. Continue until all slots are filled. Trim the edges if they are too long.
