Water Bottle Wind Spirals

Materials Needed :

- ⇒ Empty Water Bottles
- ⇒ Permanent Markers
- ⇒ Scissors

Step by Step Directions Here:

1. Take the water bottles and color them with permanent markers. Markers MUST be permanent, other markers will not stay on bottle.
2. Make sure the bottles are covered from top to bottom.
3. Cut the bottom of the water bottle off.
4. Start cutting at the edge of the bottle going around all the way to the top. Do this on all of the bottles.
5. When finished find a branch outside to hang them from.
